Important information that you should read and understand before signing this application form

Anyone applying for a UKIERI Scholarship should be aware of the following:

- (i) **Application:** your application (including anything you add at the time of interview or afterwards) should be accurate, not omit any facts that are relevant and not be misleading. If we find that there are significant errors or omissions in the information you have supplied to us in the course of your application you will not be offered a Scholarship, or you will have your Scholarship withdrawn or terminated.
- (ii) **Selection:** the selection process will be fair. No applicant will have, or should seek or accept, any unfair advantage. No member of the British Council or the UKIERI Board will unfairly promote or disadvantage the interests of any applicant. If we find that you have secured an unfair advantage in the selection process we reserve the right not to offer you a Scholarship, or withdraw or terminate your Scholarship.
- (iii) **Medical:** we expect all selected scholars to reveal all relevant details in the medical form that accompanies their award letter, if necessary provided in confidence, in a sealed envelope, addressed to the scholarships officer to ensure your privacy is protected. If you are offered a Scholarship it will be conditional on a further satisfactory medical report. If that medical report is not satisfactory we reserve the right to withdraw the offer of a Scholarship. If you are successful at interview it will be in your interest to arrange for

- your medical report to be completed as soon as possible. You must not make commitments, especially commitments with financial consequences, until you know that your medical report is satisfactory.
- (iv) **Entry clearance:** you must tell us when you apply if there is anything (such as previous convictions or associations with terrorist organisations) that may be an impediment to securing a visa or entry clearance to study in the UK. If we find that we cannot provide you with a visa for any reason then we will withdraw the offer of a Scholarship. You should not make commitments, especially commitments with financial consequences, unless you are certain that there will be no impediment to you securing a visa or entry clearance to study.
 - (v) **Changes of circumstances:** if your circumstances change by an event or events that are genuinely beyond your control, or in ways that are generally unexpected, you should contact us immediately. We will take reasonable steps to ensure that you can take up your Scholarship, perhaps by providing extra support or finding an alternative course at an Institution that can provide such support. But we reserve the right to withdraw the offer of a Scholarship if we feel that the circumstances are such that this is in the best interests of the applicant or the UKIERI Board.

Data Protection

Thank you for providing us with information about yourself on this form. We will look after the information carefully and use it to consider your suitability for a Scholarship and to manage the application process. It will be made available at the IITM, the British Council and the UKIERI Board. It may also be made available for the same reasons to co-sponsors of the UKIERI scheme, and to members of any panel that interviews you. If you are successful, the information (and the information you tell us at the interview and at other times) may be passed to external consultants to obtain advice on suitable courses or other training opportunities in the UK. Your information may also be passed to UK higher education institutions to process your application/study in the UK, if required. After we know that you have a confirmed place of study we will ask you again for permission to use the information in new ways that will become necessary as you proceed to take up your Scholarship. If you are unsuccessful the information will be held securely and destroyed in due course. In signing this application form for a UKIERI Scholarship you accept that you will be bound by these conditions. You also accept that we will use the information you have given us in the ways we have described.
