Minutes of pre-bid meeting- Data Web Portal

After re-tendering of Data Web portal for third time, w.r.t. Tender notice no. C-050.46-II/Tender/03/2014, pre-bid meeting of vendors was arranged on 9th April 2014 at HPC conference hall at 11.30 hrs.

Representatives of the following companies attended:

1. Stesalit
2. BKC Weathersys
3. Persistent Systems ltd
4. CMC Ltd
5. SONIX Nano Systems

Chairman, Dr.G.Beig could not attend the meeting as he was on tour.

Committee members welcomed the vendors.

All the queries raised by the vendors in writing, were read out and clarified by the committee. The vendors were explained technical requirements and following clarifications / modifications were agreed upon:

1. Since all the bidders requested for extension of last date of submission, the committee agreed to extend the date to 23rd April 2014.
2. Page no 10, clause no 2: Amendment: Vendor should be ISO certified and preferably be SEI CMM Certified at the time of bidding.
3. Hardware servers should have capability to cater to 50 concurrent users logged-in to the system and more than 10 concurrent users for downloading. Disk storage capacity will be provided by the Institute.
4. Page no 18, clause no 5 is modified to: The software should also have interfaces/ embedded to a data analysis language Ingrid or equivalent and have all the functionalities of Ingrid, and visualization tools like GrADS, NCL for online analysis and plotting.
