The issues discussed in the pre-bid meeting are summarized below.

- (a) The queries received from prospective bidders / firms / companies / OEM in person and by email were noted and discussed among the committee members and vendors. The committee has asked the bidder representatives to submit all such queries by email before 11AM, 08 January 2019.
- (b) Many bidders / firms / companies / OEM in person as well as by emails have requested for extension of pre-bid meeting and submission of bids by two to four weeks period. In view of holiday season extending from last week of December 2018 to first week of January 2019, the committee agreed to **give extension up to 5 PM of 15 January 2019** to submit additional pre-bid queries, if any from prospective bidders. This will allow more prospective bidders to participate in the bidding process. The final replies to all queries (received till 5 PM, 15 January 2019) will be given in consultation with the Radar Technical Evaluation Committee and will be uploaded on web site.
- (c) As the project is to be implemented in conformity to the timeline as proposed in the EFC document and subsequent urgency to acquire radars by next monsoon, it was decided to extend the last date of submission of bids by three weeks after the publication of pre-bid MoM and corrigendum thereof.
